Business Beyond Boundaries

24th EDITION INDIASOFT

International ICT Exhibition & Conference
17, 18, 19 January, 2024 | New Delhi, India

www.indiasoft.org

Meet : Connect : Grow

The next generation IT products/ solutions are being developed in India with the application of quantum Technologies. India is the most competitive nation for sourcing Tech products and solutions

With the aim of Business Beyond Boundaries - Indiasoft 2024 will provide a perfect Networking & Business platform for IT industry players to experience a world of innovative IT software and services at highly competitive costs; connect with prospective partners; discuss and finalize joint ventures and interact on latest technological breakthroughs that will define the course of the industry over next few years. The forum will also open multiple opportunities for delegates to strike advantageous business deals and sew up long-lasting partnerships in various verticals of IT.

Also an opportunity for global IT players to tap booming Indian market. A recent study by McKinsey has revealed that the size of the Indian IT Industry is expected to reach the US\$ 300 - 350 billion revenue mark over the next five years.
